VOL. IV. NO. 57.

CHICAGO, TUESDAY, MARCH 8, 1898.

PRICE, 5 CENTS

A POINT IN REGISTRATION.

NEW YORK, March 4, 1898.
F. H. BRUNELL, 126, 5th Ave., Chicago, Ill.
Dear Sir:
Replying to yours of February 28:
We beg to inform you that there is no question whatever about the eligibility of registration in the Stud Book, of the produce of thoroughbred mares and stallions, which have raced on outlawed tracks. The same will be accepted whenever offered.
Yours truly,
JAMES E. WHEELER, Registrar.

The query that called out the courtesy of the above answer was sent by Mr. F. J. Carrillon, 2623 Prairie Ave., St. Louis, Mo., over the mare Merge, 8, by Astral—Cora.

The notice below from the Jockey Club can be well studied by owners and breeders:

Rule 38—The office of the Jockey Club is designated as the Registry Office.

The Registry Office is established for the purpose of the identification of all race horses, whether foaled in the United States or in other countries, and the certification of their pedigrees.

Horses foaled in the United States must be registered with the Registry Office by November 1, of the year in which they were foaled.

The registration shall comprise the name, if any; the color and marks, if any; whether a horse, mare or gelding, and the names of its sire and dam. If the dam was covered by more than one stallion, the names or descriptions in full must be stated.

The registration fee shall be \$2 for each animal, which will include certificate.

Only horses are eligible for registry under this rule which have either five uncontaminated thoroughbred crosses, or which authentically trace through or to animals recorded in the first six volumes of the American Stud Book, or in a recognized Stud Book of another country.

If it be proved to the satisfaction of the stewards of the Jockey Club that the failure of registration be unintentional or accidental, such registration may be permitted by the payment of a fine of \$10 for the registration, provided such application be made on or before December 31 of each year.

Amendment adopted August 13, 1896.—And if after said date upon the payment of a fine of \$50 for each registration.

Rule 39.—A name must be claimed through the Registry office of the Jockey Club for each and every horse on or before the first day of March of its two-year-old year.

Amendment adopted July 9, 1896.—In case a horse is not named prior to March 1 of its two-year-old year, it may be duly named upon payment of a fine of \$50.00, if name is claimed and allowed at least two days before day of starting.

No name that has been employed during the previous five years either in the stud or on the turf, shall be duplicated, nor can a name be claimed for any horse not registered as a foal.

N. B.—No horse will be allowed to start unless duly registered and named.

Rules 38 and 39 shall apply only to horses foaled in 1893 and thereafter.

Rule 40.—An owner desiring to change the name of a horse must obtain special permission from the stewards of the Jockey Club, and shall pay the sum of \$100 on each change of name to the fine fund.

Rule 41.—A horse foaled out of the United States shall not be qualified to start for any race until the owner has filed in the Registry Office a certificate stating age, color, sex, distinguishing marks, if any, and pedigree as recorded in the official stud-book of its native country, signed by the Secretary or other public officer of a recognized racing club, or by some approved magistrate or public officer of the country in which the horse was foaled, or has otherwise satisfied the stewards of the Jockey

Club as to his identity and age.

This registration must be made at the Registry Office within sixty days after landing in this country.

The registration fee shall be \$5 for each animal, which will include certificate.

Breeders will greatly facilitate the work of registration by sending in their reports as early as possible.

The registration fee of \$2 will be refunded if foal should die before November 1.

NOTES FROM MEMPHIS.

MEMPHIS, TENN., March 5, 1898.—“The reports sent out from New Orleans to the effect that J. W. Schorr & Son offered to buy Nabob are all bosh,” says John F. Schorr, the younger member of the firm. “I asked one of the firm of Bennington & Gardner what they would take for him, to see how high they held the colt. Five thousand dollars was what they wanted. I laughed at the idea and thought no more about it until I saw dispatches stating we were afraid of the colt in the Crescent City Derby. The talk all comes from nothing. I suppose \$1,500 or \$2,000 would be a liberal price for Nabob, but we don't want him at any price and only hope he is a starter and their money is bet the way they are reported to talk.”

The declarations for the Montgomery Handicap up to date are as follows: C. S. Bush, Bing Binger, Seabrooke, Urania, Dacian, Milwaukee, St. Roque, Requit, Basquil, Johnny Bohan, Brandywine, Lieber Karl, Sea Robber, Sligo, Berclair, Sacket and Hampden, leaving Ornament 127, Boanerges 115, Meadowthorpe 113, Ulysses 110, Macy 110, Salvable 108, Harry Duke 108, Dr. Walmsley 106, Good Times 106, Laureate 105, Buckvidere 105, Performance, 105, Linda 104, Estaca 104, Paul Kauvar 100, Marquise 100, Presbyterian 100, Balk Line 98, Forbush 97, Eitholin 96, Sidonian 96, Opaque (ch. c, 3, by Iroquois—Ogarita) 94, Judge Steadman 94, Belle of Memphis 92, Tom Collins 90, Mr. Eastin 85. It will furnish an excellent race, from a racing standpoint as well as a betting proposition, and already your correspondent has heard several express opinions that with his heavy impost Ornament had better be entirely fit when the race is run if he wants a slice of the pie.

The horses are fairly “burning the track up” these springlike days, and eighths in 114, quarters in 234 and three-eighths in 364 are daily occurrences amongst the 2-year-olds. There are a number of them at Montgomery Park that have shown their trainers that they are of the stake order.

George C. Bennett is back from a trip to Cincinnati and St. Louis. He says Eddie Austin will run the betting ring for him at Newport. Capt. Tilles will have his own books on at Little Rock and the “Southern Turf Company and Ye Old Time Company” will control Nashville's betting, so that Memphis will be the only southern track to say “Come on. All of you can draw in at 100 per.”

President S. R. Montgomery has been lying in a critical condition for the past eight days with three physicians in attendance. He was taken with pneumonia Thursday, February 24, and for a time his life was despaired of. He is not yet out of danger, but his relatives and legion of friends are hoping for the best.

NOTES OF THE TURF.

Traverser.—When two horses run a dead heat and do not run off, first and second prizes are divided equally. A horse running third under such circumstances only “shows.”

Charles Boots has about decided to breed Lucretia Borgia, holder of the world's four mile record, to Libertine, the holder of the world's mile record.

Start good. First seven driving. Semicolon was best, was keenly cut off on first turn and back stretch and none too well ridden. Vioris ran her race, was lucky and well handled. Ventura is only a sprinter. She, too, had clear sailing. Toluca closed strong. Watch her. Malay was interfered with on first turn and made up ground afterward. He will be best over a distance. Oraibee is promising and can be watched. Canace ran her race. Buck favors a route and mud. He was interfered with on the stretch turn. He and Racivan are both mudders. Watch Ferguson. She was away badly. So was San Augustine, who is merely a dasher and had an easy race. Scratched—Crossmolina, 102; Geraldine B, 103; Engea, 104; Watossa, 107.

MR. VOSBURGH HONORED.

The stewards of the English Jockey Club have recently taken action which indicates that they fully appreciate the magnitude of the present invasion of the English turf by American owners. They have authorized W. S. Vosburgh, the forfeit clerk and official handicapper here, to act as their agent in this country to receive and transmit to them all nominations to English events.

The arrangement was made through the Messrs. Weatherby, official publishers of the Racing Calendar, and applies to all the race tracks over which the stewards of the English Jockey Club have control. The appointment is remarkable in one way. The English Turf is exceedingly conservative and the rules governing it are iron bound and unyielding. The rules specify that all entries must be made to the Messrs. Weatherby in London and never before have the stewards had an authorized representative anywhere to receive entries.

Speaking of the appointment yesterday, Mr. Vosburgh said: "From my correspondence with the Messrs. Weatherby, it is to be inferred that they have previously had considerable trouble with American entries. The rules there are much more strict than ours. For example, they are exceedingly careful that all the partners in a racing stable shall be registered over the signature of each of the partners. They are exacting, too, with regard to correspondence relating to entries, as well as to other matters. "Our American way of conducting correspondence by means of the typewriter, and permitting letters to be signed by clerks, does not accord with their conservative ideas. They want all documents relating to entries to appear over genuine signatures, and, as a matter of fact, they are not inclined to pay much attention to typewritten correspondence on any subject. That is regarded as not exactly good form over there.

"Besides, the conditions of the English stakes are not well understood by American owners, and their turf customs and manner of doing things are almost entirely unknown here. It was no doubt to obviate these difficulties and to secure correctness of pedigree and of partnership registrations that the stewards decided it might be advantageous to have an authorized agent here, instead of permitting American entries to be sent direct to the Messrs. Weatherby in London, as formerly."—Morning Telegraph.

He was badly interfered with on the first turn and less than strongly ridden. He closed strong. Watch him. Mercutio ran his race. He was interfered with on stretch turn. He is fit. She wants a hard track. Chartreuse was lame. Princess was off badly and had an easy race. Charlemagne was outclassed.
